the Power of Saving in April

April is **Credit Union Youth Month**, and there is nothing more financially powerful as a young person than saving for the future. That's why this year's theme is "Unleash the Power of Saving at Your Credit Union." Anyone can unleash this power too. All you have to do is open a new youth account or deposit into an existing youth account during April, and you'll be **entered into a drawing for \$250.**

Community Involvement

During the past holiday season, the MCCU community participated in **Toys for Tots in Midland/Odessa** and the **All Community Outreach Toy Drive in Allen**. We received plenty of toys at each branch for children in need. Thank you to our generous members and staff who love and care for our community's kids.
