We're here - *to promote financial literacy!*

We're here - *to celebrate our youth!*

April is **Credit Union Youth Month** and our Allen branch team celebrated a little early this year with a group of students from *Plano East Senior High School (PESH)*! Elaine Miller and Margaret Zaccagnino have been teaching their students about checking and savings accounts. Our team was excited to show our side of how their accounts work. They saw how we scan pictures of checks, dispense and deposit cash within the branch and at our ATMs. They also loved our "hidden" drive through tubes with two-way video and audio! They even got to download and play our fun **Money Mammals** financial education video games!

If your students would like to visit us, contact any My Community Credit Union Branch Manager for arrangements, we'd love to see you!
